Programs 5/4/23

Meeting Date	Program Title	Program Description	Program Type (B, ADT, AA, AS, CA, JSC, NC)	Request Type	Units / Hours	Start Semester
5/4/2023	College and Math Skill Building Success	The College Success and Math Skill Building Certificate of Completion (NC) is designed to support new, current, and returning students by providing tools and strategies to be successful in both traditional and online learning environments by creating awareness of programs, services, and other student resources available at the college. This program will also identify and develop specific supplementary math skills students need to apply problem solving skills to real world problems that would be relevant to their transfer-level math class. To Achieve the Certificate of Achievement: Upon completion of the following courses with at least a 'C' grade in each course, the student will be awarded a Certificate of Achievement.	Certificate of Completion (NC)	New		Fall 2023
5/4/2023	Hospitality Management	<p>The Hospitality Management Associate in Science for Transfer Degree (AS-T in Hospitality Management) is designed to provide students a clear transfer pathway to the CSU hospitality management major and completion of the hospitality management baccalaureate degree, to grant guaranteed admission to a CSU to a similar major with junior standing, and the ability to complete their remaining requirements within 60 semester or 90 quarter units. The Hospitality Management Associate in Science for Transfer Degree provides a study of key hospitality concepts. Hospitality Management majors will be able to analyze current trends, challenges, and possible solutions in hospitality management scenarios. Hospitality Management majors will be able to communicate and apply concepts in food and beverage, hotel, and resort management. Topics of study include, but are not limited to: customer service, cost control, operations, management, food production, beverage management, supervision, leadership, human resources, business concepts, hospitality law, and entrepreneurship. Core career areas include, but are not limited to: food and beverage manager, hotel/motel management, hotel/motel administration, resort management, meeting and event planning, casino management, etc.</p> <p>Upon completion of graduation requirements and the required degree courses with at least a "C" or "P" grade in each course, the student will be awarded an Associate of Science Degree. Requirements for AA-T or AS-T degrees: The completion of 60 semester units that are eligible for transfer to the California State University, including both of the following: • The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University – Breadth Requirements. • A minimum of 18 semester units in a major area of emphasis, as determined by the district. • The obtainment of a minimum grade point average of 2.0. • The completion of all courses required for the major with a "C" or better. A "P" (Pass) grade is acceptable for courses in the major.</p>	Associate in Science for Transfer	New	60	Fall 2023

Programs 5/4/23

Meeting Date	Program Title	Program Description	Program Type (B, ADT, AA, AS, CA, JSC, NC)	Request Type	Units / Hours	Start Semester
5/4/2023	Project Management Essentials	<p>Provides students with the knowledge and skills needed in project planning and management. This program provides students with the practical application skills and working knowledge of the tools necessary to plan, implement and manage projects in any business environment. This program requires completion of two classes (INDA B50NC and INDA B51NC). The program courses include instruction in the fundamentals of project management, including planning, defining a project, resources, roles and responsibilities, necessary skills, tools and processes. Project management software options such as Microsoft Project are used throughout the program. Instruction will also cover team building, problem solving, decision making, using creativity and innovation, emerging trends, and communication skills.</p> <p>To achieve the Certificate of Completion: Upon completion of the following courses with a grade of 'P', the student will be awarded a Certificate of Completion.</p>	Certificate of Completion (NC)	New	0	Summer 2024
5/4/2023	Civil Engineering Technology	<p>Graduates of the Applied Science degree in Civil Engineering Technology program are prepared to support various areas of civil engineering, such as construction, water resources, public works, structural detailing and design, environmental evaluation, energy development, and related fields. In addition to engineering fundamentals, the program includes coursework in surveying, civil design with AutoCAD, process piping design with AutoCAD, geographic information systems (GIS), irrigation systems, geology, and environmental science. Students in the ASCET program may consider transfer opportunities to university programs in Construction Management (at eight California State University campuses) and Environmental Management & Protection (at Cal Poly SLO). Opportunities to complete a bachelor's degree in surveying or geomatics via distance education are available through the Western Undergraduate Exchange. Students interested in transferring should contact a counselor or educational advisor. To Achieve the Associate of Science: Upon completion of graduation requirements and the required degree courses with at least a "C" or "P" grade in each course, the student will be awarded an Associate of Science degree.</p>	Associate of Science	Revision	60-70	Summer 2024
5/4/2023	Electrician Apprenticeship	<p>Apprenticeship courses are designed for indentured apprentices under the Shelley-Maloney California Apprenticeship Standards Act. The Apprentice Agreement states that the student will supplement on-the-job training with related classroom instruction during each year of apprenticeship. Apprentice classes meet three to eight hours per week and yield two to six units of credit. Joint Apprenticeship Committees administering each program are composed of representation from labor, management, California State Division of Apprenticeship Standards, and Bakersfield College. These committees adopt state approved standards for operation and assure equal opportunity for applicants. Related training in apprenticeable occupations, in addition to those listed below, may be offered as the need arises.</p> <p>Information for entry into apprenticeship programs may be obtained from the college coordinator of apprenticeship training. Interested persons are encouraged to apply for any of these programs and may contact the Bakersfield College Apprenticeship Department at 661/395-4408 for further information.</p> <p>To Achieve the Certificate of Achievement: Upon completion of the following courses with at least a 'C' grade in each course, the student will be awarded an Apprenticeship Certificate of Achievement.</p>	Certificate of Achievement	Revision	44-56	Summer 2023

5/4/2023	Sociology	<p>The Associate in Arts in Sociology for Transfer (AA-T) is intended for all students who plan to complete an Associate in Arts in Sociology. This degree is especially valuable for those students planning on completing a bachelor's degree in Sociology at a CSU campus because the Associate in Arts in Sociology for Transfer guarantees admission to the CSU system (but not to a particular campus or major). Students transferring to a CSU campus that does accept the Associate in Arts in Sociology for Transfer will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major). This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. This degree eliminates the additional Bakersfield College graduation requirements.</p> <p>Requirements for AA-T or AS-T degrees: The completion of 60 semester units that are eligible for transfer to the California State University, including both of the following:</p> <ul style="list-style-type: none"> • The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University – Breadth Requirements. • A minimum of 18 semester units in a major area of emphasis, as determined by the district. • The obtainment of a minimum grade point average of 2.0. • The completion of all courses required for the major with a "C" or better. A "P" (Pass) grade is acceptable for courses in the major. 	Associate in Arts for Transfer	Revision	60	Summer 2024
5/4/2023	Web Design and Development	<p>This Certificate of Achievement teaches the skills and knowledge needed to be successful in the field of web development. Provides a foundation in usability, accessibility, and design principles, as well as, technical skills at hand-coding HTML, CSS, JavaScript, PHP and MySQL. Includes use of authoring tools for design, editing and publishing of web pages, documents and audiovisuals on the Internet.</p> <p>To Achieve the Certificate of Achievement: Upon completion of the required courses with at least a 'C' or 'P' grade in each course, the student will be awarded a Certificate of Achievement.</p>	Certificate of Achievement	Revision	18	Fall 2023
