

Assessment Report to Curriculum

September 15, 2023 | Becka Zepeda, Faculty Co-Chair

1. Assessment's first official meeting was September 15.
2. Members are now trained in [evaluating learning outcomes in eLumen](#) and have received their first round of courses to review as part of the curriculum process.
 - Scott attended the meeting and provided input on what committee members should be looking out for when reviewing learning outcomes.
 - Members will be assigned courses to review on a weekly basis as we go through the Fall curriculum rush.
