11/30/2023	D	NURS891A	Neonatal Nursing	This neonatal nursing course, adopted from the AWHONN (Association of Women's Health, Obstetric and Neonatal Nurses) NEOP (Neonatal Orientation & Education) program is designed to prepare registered nurses and level 3 and 4 registered nursing students, with no previous neonatal experience, for entry into neonatal nursing practice for both low-risk and high-risk neonates. This course provides an evidence-based, up-to-date curriculum to build a foundation for clinical practice. The course provides the basic knowledge and clinical skills necessary to function independently in an entry-level neonatal nursing position. The curriculum is presented using a combination of lectures, hands-on skills, and clinical experiences. The lab portion of the course will be completed in the NICU of our local hospital partners and the BC simulation laboratory.	Revision	5		DE		Hybrid, Online					Fall 2024	NURS891A	Neonatal Nursing
11/30/2023	E	NURS891B	Perinatal Nursing	This perinatal nursing course, adopted from the AWHONN (Association of Women's Health, Obstetric and Neonatal Nurses) PEOP (Perinatal Orientation & Education) program is designed to prepare registered nurses and level 3 and 4 registered nursing students, with no previous perinatal experience for entry into perinatal nursing practice. The course provides the basic knowledge and clinical skills necessary to begin functioning independently in an entry-level perinatal nursing position. The curriculum is based on the latest, evidence-based guidelines for perinatal practice and is presented using a combination of lectures, hands-on skills, and clinical experiences. The course provides the theoretical knowledge needed to provide care to women planning a family, in the antepartum, intrapartum, and postpartum periods; and newborns in the first few days of life. The laboratory component of the course will be completed in maternal newborn units of our local hospital partners	Revision	5		DE		Hybrid, Online					Fall 2024	NURS891B	Perinatal Nursing
