

Articulation Officer Report

Curriculum Committee Meeting

April 25, 2024, 2:30-4:00 PM

AB 1111 (Common Course Numbering) Update

From ASCCC President Cheryl Aschenbach's message: "As part of the timeline recommended by the CCN Task Force and then augmented by the CCN Steering Committee and CCC Chancellor's Office, the ASCCC is being asked to convene discipline faculty in **Communication Studies, English, Math, Political Science, and Psychology** to draft CCN descriptors for the 6 highest-enrolled general education courses, identified below:

- College Composition (C-ID ENGL 100)
- Argumentative Writing and Critical Thinking (C-ID ENGL 105)
- Public Speaking (C-ID COMM 110)
- Introduction to Statistics (C-ID MATH 110)
- Introduction to American Government and Politics (C-ID POLS 110)
- Introductory Psychology (C-ID PSY 110)

The CCC Chancellor's Office determined August 15, 2024 as the date by which CCN descriptors for the initial 6 courses shall be finalized to meet their proposed timeline. **Because of this, the ASCCC will be convening intersegmental discipline meetings on June 12, June 18, and June 24.**

ASCCC Updates

[Volunteer to Serve on a Statewide Committee](#)

Read through the [Plenary Resolution Packet](#) and email your ASCCC Delegate, Dr. Lisa Harding for more information. The following items are related to Curriculum, Articulation, or Transfer.

- 114.05 S24 Advocate for STEM Students to be Allowed to Take Non-validated "pre-calculus" Classes as Electives (with amendments)
- 114.06 S24 Update Transfer Level Gateway Completion Dashboard (with amendments)

General Education and Articulation Updates

CSU GE and IGETC notices are typically published in late April or early May but can come as late as June. Department Chairs, Deans, and Curriculum representatives are emailed with the results. We expect Cal-GETC submissions to function on the same timeline starting next year.

As referenced in the January 2024 AO report, there were issues with the rollover of information to the new CSU/IGETC platform and not all articulation agreements were published. If you notice any issues with ASSIST.org concerning GE or articulation agreements, please contact me.

GE Team Review

The General Education team reviewed courses requesting GE approvals. Report submitted separately.

Respectfully submitted,

Erica Menchaca

Articulation Officer
