11/7/2024	D	ENGL886NC	Writing Center Support	This is an open entry/open exit writing support course with no time requirements and no grades, and this course does not affect a student's GPA. The feedback offered by the Faculty and Writing Center team is designed to give students a thoughtful, inquisitive audience to their writing that will reinforce writing as a five-stage process with the goal of fostering student learning and writing independence. Students will receive both developmental and critical thinking-related feedback as well as information about punctuation and grammar that both respects college-level expectations and all students' individual language choices in their transfer-level English course. 11/7/2024	G	ADM881	Skills Training for Security Guards	This course provides the required training security guards must complete within six months of employment as a security guard. Additional topics include the review and practice of security guard skills and legal requirements. This course meets the training requirements as set forth by the California Department of Consumer Affairs, Bureau of Security, and Investigative Services.	Revision	0.5				Hybrid, Online, Interactive						Summer 2025	
11/7/2024	C	ART825	Typography	Course focuses on effective typographic usage in visual media. Students explore the evolution of type from ancient to contemporary and create original typographic design solutions, including an original typeface. Projects feature investigation of structure, format, legibility, and expression.	Revision	3		T, DE		Hybrid, Online, Interactive	Approved	Approved				Summer 2025	
11/7/2024	E	MED5869	Nurse Assistant	The focus of this course is to prepare the nurse assistant for certification by the State of California as an entry-level worker on a health care team. The curriculum is structured to provide theory and practical application on skills needed to function as a nurse assistant. Correlated laboratory experiences are provided with emphasis on providing basic nurse assistant care to residents in a long term care setting. Concepts presented in MEDS 869 are applied in the laboratory and clinical settings (formerly Meds 867 and 867L).  Note: not open to student that have successfully completed MEDS 867 and 867L.	Revision	5.5		DE		Hybrid							Spring 2025
11/7/2024	F, GE	SOCIB36	Sociology of the Latina/o	A comprehensive examination of Latina and Latino American experiences through the lens of interdisciplinary theories, sociological research, and community-based knowledge. Students will examine the historical events, cultural contributions, and social struggles of these communities, with a focus on issues of agency and self-determination. Emphasis is placed on the intersections of race and racism with other social identities within Latina and Latino American communities. Topics include race, racism, labor, immigration, crime, education, family, gender, sexuality, politics, health, spirituality, media, and art.  Note: Not open to students who have successfully completed ETHN 836S.
