

International Baccalaureate (IB) Diploma Program

The International Baccalaureate Diploma Program is a comprehensive and rigorous curriculum for university-bound students between the ages of 16 and 19. After completing the courses at the participating high school, students take the related International Baccalaureate (IB) examination, and the information is printed on their high school transcripts. Bakersfield College recognizes the high scholastic quality of the International Baccalaureate Diploma Program and awards credit or placement as approved. Students who plan to enroll at Bakersfield College, submit a copy of your official IB transcript and submit a [Request for Evaluation](#) form after you are enrolled in classes at Bakersfield College to the Office of Admissions and Records in the Welcome Center building or by email to BCrecords@kccd.edu.

Units for which credit is given pursuant to these examinations will not be counted in determining the 12 semester units in residence required for an associate degree. A maximum of 30 units of credit by examination may be applied to the conferral of a degree.

Note: IB Exams that satisfy UC and CSU requirements should be checked for currency and specific college credit. Course Equivalency is not automatic or guaranteed upon transfer. *The UC system and Cal-GETC will only accept scores of 5, 6, or 7.
