ADT Updates

In the [3-12-26 AO CRC Report](#), Environmental Science was listed as a 2.0. There was a change, and it is not considered a 2.0 any longer but simply an "update".

A few "1.0" degrees need to be deactivated now that the "2.0" version is approved: Elementary Teacher Education, Mathematics 1.0, Physics 1.0, and Public Health Science.

Once Biology 2.0 is approved, the "1.0" version will need to be deactivated as well. Depending on the timing, this may occur through Coursedog.
