Articulation Officer Report

Curriculum Committee Training Meeting
November 19, 2026, 2:30 – 4 PM

ASCCC Updates

The approved resolution packet will be published on the ASCCC Resolutions page.

CCCCO Updates

- 45-Day Notice of Rulemaking – Baccalaureate Degree Minimum Units (PDF)
- 45-Day Regulatory Text – Baccalaureate Degree Minimum Units (PDF)

CCN Updates

The following ADTs must be revised to include new CCN numbering and add MATH C2211E when MATH B6A is listed:

Old Course	Degree	degree type	Phase
MATH B6A	Business 2.0	adt	II Part B
MATH B6A	Computer Science	adt	II Part B
MATH B6B	Computer Science	adt	II Part B
MATH B6A	Economics	adt	II Part B
MATH B6B	Economics	adt	II Part B
ECON B1	Environmental Science	adt	II Part A
MATH B6A	Geology	adt	II Part B
MATH B6B	Geology	adt	II Part B
SOCI B1	Kinesiology	adt	II Part B
MATH B6A	UCTP Chemistry	uctp	II Part B
MATH B6B	UCTP Chemistry	uctp	II Part B

Please note: A new Computer Science ADT Submission Form will be coming, but a revision needs to occur now to update the program for CCN. The Environmental Science ADT was revised already by faculty but has not completed its revision because the discipline faculty still need to make revisions requested through the curriculum paper process. The Kinesiology ADT needs a full revision to add more potential courses as well as the needed CCN update.

ACCJC Updates

ACCJC held a webinar on the new Federal Accreditation, Innovation, and Modernization (AIM) Negotiated Rulemaking. There is a page where they will update information as it comes in.

Respectfully submitted,

Erica Giblin, Articulation Officer
