

Health Sciences Monthly Report: October 2019

Prepared by Lisa Harding, Faculty Lead

Progress:

- October 8, 2019 -Harding met w Jennifer Johnson to accept the vacated position for GPIT.
- October 9- Harding met with Michelle Burton to identify availability for meeting times based on previous email inquiry sent in sept (still awaiting some member confirmation)
- October 10- Harding met with Cindy Collier, former GPIT lead to discuss actions in progress and steps moving forward.

Plans:

- Schedule Health science pathway meeting for this week or next (after GPIT meeting for more direction)
- Continue to revise/implement plan for course creation for pathways exploration.
- Work with data coach to identify gaps and successes.
- Update contact list for all parties.
