

# SUMMER TECHNOLOGY WORKSHOP SERIES May 19 - 21

Three days of workshops, with a different topic each day.  
In the morning, we will talk pedagogy.  
In the afternoon, we will cover the tools to make it happen.

*Morning (10-12)*

*Afternoon (1-3)*

Each session will be its own separate event!  
Sign up for one of them, a whole day,  
or all six of the sessions!

You can register starting next week on  
Inside BC!
