Committee Charge Review

Night Walk

Updates on all Campuses

Main Campus

Weill Institute

BC SouthWest

Delano

Job Spot

City Serve

Wasco Adult Education Center

Automall

Olive Drive Fire Training Facility

There was discussion about the need to maintain the committee Night Walks at all BC locations. The group was in consensus that they would appreciate an invite to be sent out for each Night Walk so that every member could decide if they were able to attend.

G.Hunter will begin the work to send out Night Walk invites for Fall 2023.

Campus Bollards

C.Glaser mentioned that discussions with M&O are continuing on the purchase and possible construction projects for campus bollards. The group reviewed the proposed locations for bollards on the campus map.

Clery Compliance

The ASR will be emailed and published for our campus communities by 10/01/2023/

Review & Update Emergency Response Procedures

C.Hootman was not present for this meeting. No updates.

Campus Security Authority (CSA) & Officer Sensitivity Training

N.Alvarez gave the group an overview of last academic year's discussion about CSA and Officer Sensitivity training. She is working with T.Dearmore to continue this work in this academic year.

California Community Colleges Board of Governor's Campus Climate & Public Safety Regulations

C.Glaser reviewed the California Community Colleges Board of Governor's Campus Climate & Public Safety Regulations memo from 02/01/23. The group agreed to review the memo for further discussion at next meeting.

Reporting Safety Concerns & Feedback

C.Glaser reviewed the Report A Safety Concern webform on the College Safety webpage. This is a form that any person at BC can use to report a non-urgent safety concern on any of our campuses. There was discussion about the best way to get this information out to our campus communities. C.Glaser offered to send an email out with some information.

The group also requested that someone from College Safety compile any submitted safety concerns and present to the committee at each meeting.

G.Hunter will help compile safety concerns from the Google Form for the next meeting.
